## CHUMBAK MIXED BAG

WE LIKE Chumbak because they remind us of our Indianness in happy and often funny ways. They're known for their tiny little souvenir-like knickknacks (fridge magnets, bookmarks, travel pens and stuff) but right this minute they've launched flip-flops and we love them. That's our big monsoon giveaway. Two lucky guys and two lucky girls can win a pair each, five runners up get a mixed bag of their stuff, and 10 of the most miserable faces get Chumbak car fresheners (yeah, seriously). E-mail us asking nicely, or stalk us on Facebook and Twitter for more info!

## PAANI PURI TEE-OFF!

WE HAVE SEVEN very funky, very cool t-shirts from Paani Puri Clothing to give away. This whole brand/business started out as a joke for creator Rish Oberoi, so we'd like you to stop taking things so seriously and come up with a paani-puri joke for us. If we so much as crack a smile, YOU WIN a tee! It's TOO easy. Hurry up.

## MINI BOOM BOX

A big bada boom box dock for your iPods and iPads. Small retro-cute body, big modern sound. Available at [www.hitplay.in](http://www.hitplay.in) for ₹900 but if you make nice we'll give you one for free.

## GET MUGGED

REMEMBER these mugs? We'd featured them a couple of issues back and now we're giving them away. Created by Mumbai-based Manas Kunder, it's a series featuring the six main men of India: the Sutta Wala, Cable Wala, Doodh Wala, Office Wala, Paise Wala and Jungle Wala. We've got two of each design. Tell us how you would rename the mugs in your local lingo and WIN THEM! Losers and sour grape aficionados can get in touch with Kunder on [madtrip.manas@gmail.com](mailto:madtrip.manas@gmail.com) and buy the mugs at ₹200 each.
